

Scan your treasured photos!

Are your old photos stored in a shoebox?

Do you have photos in albums that you would like to share with others without giving them the originals?

Why not scan your special photos and save them electronically?

Photo scanning is a great way to archive your treasured photos onto a disk or flash drive, to keep them safe, or to share them with others.

Wednesdays at 1:30pm
By appointment only
Call 952-939-1333

Volunteer Dan will help you scan numerous photos!

Members Free, Others \$3

Bring your own flash drive or purchase for \$5

How to prepare for a Photo Scanning Appointment:

- Presort photos by event (birthday, reunion, age, etc.)
- Remove photos from albums. Remove all adhesive (tape, glue)
- Arrange photos in similar size order (wallets, 4x6, 8x10)
